Community School of Music and Arts Presents Tim Aston’s
Flow: Shaped by Wind and Water in Mohr Gallery

MOUNTAIN VIEW, CA – Community School of Music and Arts (CSMA) presents a new exhibition featuring photographer Tim Aston, who will present a collection of his photographs at Mohr Gallery, located at 230 San Antonio Circle in Mountain View. This show will run through September 17, 2021. There will be an artist reception with Tim Aston on Saturday, August 28 from 4:00-6:00 pm in Mohr Gallery.

Flow: Shaped by Wind and Water is a photographic exploration of the Sierra Nevada mountain range. These stunning photographs reveal the impact of the elemental forces of nature on our California landscape. Aston’s photographs tell stories of the passage of time, emphasizing the dynamic nature of formations that predate human existence.

Framed and unframed prints will be available for purchase during and following the reception.

Tim Aston is a Bay Area native who travels the California coast and now resides in Mammoth Lakes, California. He grew up appreciating nature through the Boy Scouts and family road trips. His passion for the outdoors continues into his adulthood and inspires his work today.

Tim Aston and his partner Dori Myer capture their subjects using full frame digital cameras on a stable tripod and techniques that preserve the beautiful details found in nature.
